G.T. 20 57

The lands under acquisition were got measured jointly by the representative of the Acquiring Body and the Survey Department. The result of the measurement work has been mentioned in the Plan-Table sheet and the Joint Measurement Certificate. None of the interested perosns raised any objection to the measurement so carried out and hence the area shown ~~in~~ in the Joint Measurement Certificate in respect of the land under acquisition is taken as true area for the purpose awarding compensation ~~xxx~~ amount.

5) NOTICES AND OWNERSHIP :- After publication of notification under section 6 public notices under section 9 (1) ~~xxx~~(2) of the Land Acquisition Act was published in the village ~~Kande~~ Sagaon Tahsil Shirala, and the land under acquisition. Similary ~~Simikarkt~~ individual notices under section 9 (3) (4) were served ~~waved~~ on the interested persons requiring them to state ~~start~~ the nature of their interests in the land under Acquisition and their claims for compensation and objections if any to the measurement made under section 8 of the Land Acquisition Act.

In response to the notices the khatedars have not raised any objection to the proposed acquisition.

~~xx~~ OWNERSHIP

The entries in the Record of Rights (V.F. VII-XII) village Record 8-A are taken as base for deciding ownership. there is no disputes about the ownership of the land under acquisition.

6) SITUATION AND DESCRIPTION :- The lands are situated ~~in~~ ~~near~~/too far from the gaothan Sagaon. The lands do not have prospects for being used as non-agricultural lands in future. During the course of Site Inspection it was also observed that there are no ~~the~~ ~~bukkk~~ building activities ~~activity~~ has came ~~to stand~~

came to stand still. The lands are therefore trated as agricultural lands for the purpose of valuation. The lands under acquisition are Jirayat and Bagayat lands.

Except some ~~rate~~ rare sales and purchases of the agricultureal commodities there is no market place for the agricultural produce in the village. The people of the villages have to take the commodities for sale to Shirala village which is ~~anout~~ about ~~06~~ 60 KM ~~miles~~ from this villgge. The weekly bazar of village Sagaon is some what useful for such occassional sales or purchases, but the turnover in this bazar is meegre. There is ~~no~~ medical aid available ~~and the people have to rush to or even for incidental medical aid. For secondary education the boyes/girls have to go to~~ . There is primary and secondary school facility is available. The population of the village is 3906. according to 1971 Cencus. The maximum assessment per hecotor of the land under acquisition as noted on the head of the ~~Village~~ Village Form I is as under :

Jirayat Land	Rs.	~~13.50~~ 8.43.
Bagayat Land	Rs.	13.50
Tari Land	Rs.	— Nil

The lands are classified as Bagayat and ~~kk~~ Jirayyat lands. ~~The discussion in detail regarding the reasons for such classification is made in the General Valuation Note underlying this Award.~~

7 Classification of lands:

Taking into consideration the assessment of the lands under acquisition, their fertility and the actual use, the lands are classified as detailed below: The per hectare assessment statement appended to this award may also be seen for this purpose.

Sl NO:	Range of Assessment	Class of lands: Jiroyat	Bagayat, by lift irrigation
1	2	3	4
1	0-01 to 1-25	VIII.	VII
2	1-26 to 2-50	VII	VII.
3	2-51 to 3-75	VI	VI
4	3-76 to 5-00	V	V
5	5-01 to 7-50	IV	IV
6	7-51 to 10-00	III	III
7	10-01 to 12-50	II	II
8	12-51 to 15-00	I	I.

Most of the lands under acquisition are lift Irrigated Bagayat lands, some lands are superior black soil Jiroyat lands.

In view of this classification of Bagayat and Jiroyat lands have been made as detailed ~~above~~ above.

17

8) POT KHARAB LANDS :- Some part of the below mentioned land is pot-kharab.

S.No	Area of P.k. H. A
557/10	0-02

9) CLAIMS :- The statement shwoing the claims made by the interested persons who remained present in response to the notices under section 9 of the Land Acquisition Act is enclosed (Annexure 'A') The remarks in respect of the claims are recorded in the last column.

10) EVIDENCE IN SUPPORT OF THE CLAIMS :-

The interested persons who were present during the enquiry under section 9 of ~~thexx~~ the Land Acquisition Act have not adduced any evidence for faluation of the land under acquisition. However, they have stated th-at the lands under acquisition may be valued at the present market rate prevailing in the licality. Their requesst will be considered after observing all the formalities.

11) EVIDENCE BY ACQUIRING BODY :-

The acuqiring body has not adduced any evidence regarding the valuation of the lands under acquisition.

12) PANCH VALUATION : -

In the Panchanama dated 19-11-81, the Circle Inspector of this office has made the valuation of the lands under acqusition.

1)	Bagayat Superior	Rs.	1,00,000/-
2)	Bagayat Medium	Rs.	80,000/-
3)	Bagayat Inferior	Rs.	60,000/-
4)	Jirayat Superior	Rs.	60,000/-
5)	Jirayat Medium	Rs.	50,000/-
6)	Jirayat Infereior	Rs.	40,000/-

~~The~~ The valuation is made accoriding to the estimation of the panchas. The Circle Inspector has not divided the lands in vatious groups on the basis of their soil classification and fertility of land. Moreover, it is an estimation and not correct valuation. The panchas have not prodeced any oral or documentary evidence in support of ~~their~~ their estimation of the land valuation. The panchanama made by the Circle Inspector will not be useful for fixing the proper valuation of the lands under acquisition. I, therefore, discard the panchanama.

13) PREPARATION OF SALES PLAN : - The map showing the sale transactions taht took plase in the vicinity of the land under acquisition is prepared and kept on record.

14) VALUATION

The material ~~data~~ date, for valuing the lands under acquisition is the date of publication of the notification under section 4 of the Land Acquisition Act. In this case notification under section 4 was published in the Maharashtra Governemnt Gazette on 17-9-81 and there~~fore~~fore, this ~~data~~ date is the material ~~data~~ date for valuing the lands under acquisition.

~~A General Valuation Note covering ______________ villeges which have been notified for acquisition for this Project has been prepared and the said General Valuation Note forms Part I of this Award. For the various reasons given in the said Generla Valuation Note and in conformity with the detailed discussion made thirein, the land values estimated for eahc category of ~~mark~~ mentioned above are as under. The sales data which is found fenuline has been estimated on the basis thereof. The base for valuation of the lands in present case is __________ The compensation at~~

TREES :-

There are no trees in the lands under acquisition.

TALS

There are no tals in the lands, under acquisition

FENCING COMPOUND WALLS ETC. : - There are no fencing or ~~xx~~ compound walls in the lands under acquisition. The question of awarding compensation on this account will not therefore arise.

DAMAGES ON ACCOUNT OF (i) SEVERENCE (ii) INJURIOUS AFFECTIONS

INAMLANDS : - The following types of Inam lands are coming under acquisition

~~1) Class III Devsthan Inam~~

~~2) Class VI-B Patil Inam~~

3) Class VI-B Mahar Inam.

In case of regranted Inam lands other than Inferior Inam lands 20 times the assessment should be recoshohld be revovered being the conversion value and credited to Governemant. In case of regranted Inferior villages Inam lands, amount equal to 10 times the assessment should be recovered as conversion value and credited to Govt. if same is not paid previously.
